

The Morris Educational Foundation, in partnership with the
Morris School District's Office of the Superintendent, is proud to present

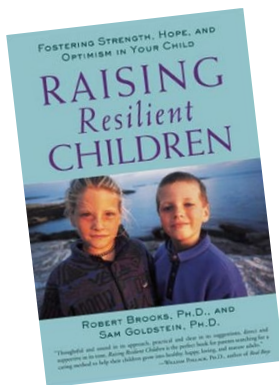

RAISING RESILIENT CHILDREN and TEENS

featuring

Robert Brooks, Ph.D. Psychologist, Author, Parenting Expert & Speaker

Faculty member of Harvard Medical School, Dr. Brooks is one of today's leading parenting experts and authors on resilience, self-esteem, motivation and family relationships.

Dr. Brooks will provide effective strategies for nurturing resilience, self-discipline, responsibility, and empathy, to help kids deal more effectively with the stress and pressure of today's complicated, ever-changing world.

Presentation ■ Q&A ■ Book Signing

Books will be sold for the discounted price of \$10.
Cash Only.

Aligning with the District's goals of educating the whole child and fostering Social-Emotional Learning (SEL), Superintendent Mackey Pendergrast will introduce the program and join Dr. Brooks for the Q&A session.

Thursday, November 29, 7:00 - 9:00 pm
Morristown High School Auditorium

RSVP requested at morrisedfoundation.org
